Welcome!

Dear Friends,

Welcome to the 7th Annual Texas Independence Day celebration! The club uses this event as a fundraiser to build Endowed Scholarships, sending Maryland students to college. Maryland has 700+ alumni and 68 current students at Texas A&M. Known for their Veterinary Medical School, Mays Business College, and Engineering programs, Texas A&M develops leaders of character, dedicated to serving the greater good while instilling their core values (Read more, <http://www.tamu.edu/about/coreValues.html>)

In 2015 the Texas A&M Club of Maryland set a goal of giving students from Maryland the opportunity to earn a scholarship to attend Texas A&M University. We set the first goal at \$25,000. As of February 1, 2017 we have reach that goal of a \$25,000 endowment.

However, we have only begun our journey for making higher education more attainable for the next generation of Aggies. Current out-of-state tuition and fees is \$30,208, not including housing, food and textbooks. The new goal the Club would like to reach is a \$100,000 endowment so it will yield a \$4,000 scholarship annually. This would allow a Maryland student to then receive in-state tuition and fees which is a cost savings of \$20,178 for the student and their family.

Thank you to all who attended our events, donated silent auction items, bid on those silent auction items, those who gave direct donations, and the many volunteer hours to reach this first \$25,000 goal. The objective is to make donors and their guests (potential donors!) feel like they're part of something bigger than themselves. Donors who feel like they're actually making a difference are more likely going to contribute more money during the event.

Thank you everyone for attending and supporting our celebration, and supporting the Texas A&M Club of Maryland in raising money to send our Maryland kids to college.

Thank you again and remember to have fun!

Gig'Em,

Brandi Greenberg

Who We Are

Texas A&M Former Students are known for our pride in our alma mater and our famous Aggie Network. This Maryland A&M Club was chartered by the Association of Former Students August 1st 2003. The Maryland A&M Club is recognized as a tax-exempt charity under section 501(c)(3) of the tax code. We provide scholarships to Maryland students.

Our Mission Statement

The Scholarship Association of the Texas A&M Club of Maryland is a non-profit 501(c)(3) organization that strives to strengthen the Texas A&M Association of Former Students within the state of Maryland, provide financial aid to Maryland students attending Texas A&M University, and to strengthen the ties and make a positive difference between members and the community.

Why Your Donation Is So Important

However, we have only begun our journey for making higher education more attainable for the next generation of Aggies. Current out-of-state tuition and fees is \$30,208, not including housing, food and textbooks. The new goal the Club would like to reach, is a \$100,000 endowment so it will yield a \$4,000 scholarship annually. This would allow a Maryland student to then receive in-state tuition and fees which is a cost savings of \$20,178 for the student and their family. Every dollar no matter how large or small brings us closer to our goal.
