Dear Ms. Leslie A. Joyce '03,

I am writing to thank you for your generous scholarship contribution for the Association of Former Students. I am very thankful to learn that I was the recipient of your scholarship, and I intend to make very good use of the money to better my studies!

I am a General Engineering major here at Texas A&M, hopefully being accepted into Chemical Engineering in the spring. I plan to pursue a career in creating new biomaterials and products that are more reliable and more efficient for the environment. By allowing me this scholarship, you have helped me significantly in the process of my intended path that I hope to attain when I graduate.

By awarding me the Maryland A&M Club Endowed Scholarship, you have lightened my financial burden which has allowed me to focus more on the aspects of school, learning, and my overall studies. Your generosity has truly helped me, and I hope that one day I can help my fellow Aggies the way you have helped me! Thanks and Gig 'em!

Sincerely

Carla Arquero
